# Dazzle the Dragon!

Dear Parent,

Our weekly 'Dazzle the Dragon' sessions will take place every Monday afternoon, the purpose of which being to celebrate the achievements of the children and 'dazzle' our dragon! If there is something your child has done that he/she is proud of. i.e writing own name, counting to 20, swimming without armbands, being brave at the dentist etc, then please complete a slip below and your child can post it back into our red Dazzle the Dragon box.

As this is the first week for you, everyone will be obviously very keen to contribute. I will not give slips out every week, but you are welcome to come and collect one at any time and they are also under the Reception page on the school website. Please don't feel under any pressure to do it every week! The slips are in a plastic wallet which is stapled up in my classroom. We will keep these and stick them into your child's Learning Journey. They will become valuable evidence of your child's development and progress throughout the Reception year.

Thank you for your support.

Caroline Gilderdale
