School Instrument Loan

Dear Parent/Carer,

We are very lucky in school to have a number of musical instruments which children use as part of the music curriculum. However, we do have a limited number of **clarinets and flutes** that are currently not being used and would like to make these available to any children who may be interested in starting to learn to play one of these instruments. The instruments would be available for short term loan at no cost on a first come first served basis.

Clarinet and flute lessons can be arranged through York Arts Service and you should visit their website to find out their current lesson prices and to enrol your child if appropriate.

www.yorkmusicservice.co.uk

It is intended that the purpose of using a loan instrument is to determine whether your child is interested in continuing instrumental tuition, without the initial cost of buying an instrument.

Although the instruments are covered by City of York Council insurance whilst at school, this cover does not extend to taking instruments out of school.

Therefore, should your child wish to borrow a school instrument you would need to:

- Accept responsibility for the care of the named instrument and agree to pay for any loss or damage.
- Agree to ensure that the appropriate level of insurance is in place for the instrument whilst in your/your child's care. Current replacement costs are approximately £125 for flute and £160 for clarinet.

In order for your child to be able to take home a school instrument, please could you sign and return the attached slip requesting the loan of an instrument and agreeing to the above conditions.

If you have any questions regarding this, please get in touch.

Thank you for your continued support.
