**Reception Curriculum Newsletter
Term 2019**

Dear Parent,

I do hope you have enjoyed a sunny half term break. Thank you very much for your very positive feedback on your child's progress so far this year. As we are all fully aware, a child's learning is a three way process between child, parent and teacher and therefore your input is invaluable.

Also, thank you children, for all the super ideas you have shared to help us plan this term's topic! You have made so many suggestions and I am looking forward to using all your ideas in my own planning. Well done!

Useful Resources to Support Learning

- Any books or resources relating to our topic would be gratefully received (borrowed).
- Any internet research your child would like to do is always interesting to share with the class.

General Points

- Please keep adding to our weekly Dazzle the Dragon sessions, if you can. They are very popular weekly events and your contributions help to build a rounded picture of your child's overall development and achievement out of school.
I have slips in the classroom and they can also be found here on the Reception Homepage for you to print out. Failing that, please simply jot something down on a slip of paper. That will suffice!
- If your child has party invitations or thank you letters, you are very welcome to come and put them in children's trays yourself or give them out in the playground. I am afraid we do not have time to do this ourselves.
- Please ensure that water bottles are brought back in on Mondays, washed and refilled.
- Our Topic Celebration is on Thursday 11th April at 2.30pm. Do come and join us.
- The Infant Easter church service is at 10am on the last day of term-Friday 12th April at St Nicholas' Church. Our Infant Choir will be performing at this.

Mrs Midgley and I look forward to another productive half term with your children.

With very best wishes,

Caroline Gilderdale
