

Time Travel

This week you find yourself travelling back in time.

- Where will you go?
- How do you know where you are?
- How will you feel?

A key skill here is to describe what is around you.

- What do you notice?
- How do you work out where you are?
- How do you feel?

This may be a terrifying experience or one full of excitement. Did you deliberately step into a time machine or find yourself somewhere strange by accident?

That is for you to decide.

Where you go is up to you!

You may choose a historical setting that you know very well. It might be in Roman times or something completely different.

- What about the age of dinosaurs....anyone seen Jurassic Park?
- What about being on board the Apollo 11 mission to space?
- You may even find yourself at the 1986 World Cup, watching Maradona punch the football into the goal in what is now known as the Hand of God.

There are so many places you could go to.

The most important thing is to choose something that excites you and we can't wait to see where your journey has taken you.

There is a writing scaffold below to help you plan your writing first.

Story Plan

Where did you travel to and how did you get there? Remember you can travel forwards or back in time.

What is the place you visit like?

Who do you meet? What are they like?

How do you manage to get back home?
