25th September 2020

Dear Parents/Carers,

It's the end of another positive week in school! The weather has definitely tested our procedures and our resilience but we have all coped well and continue to smile!

Keeping warm in school

Please could I ask that you send your child to school with plenty of **named** layers of warm clothing (to go under or over their uniform) and also a shower/rainproof coat. It has been chilly in school and so we are now shutting the external doors during teaching sessions but will continue to keep windows open for ventilation. We will also try to get outside for playtimes and lunch breaks as often as possible. We ask that children keep their coats for wearing outside (not in lessons) and have other layers they can add/remove in the classroom. These can be brought in their PE bags.

Parking around school

Parking near schools is a city-wide problem. Whilst many more families appear to be walking, cycling or scooting to school now (which is great), when the weather deteriorates, parking does become more of an issue around our school. Please could I ask that drivers avoid dropping off and parking on the double yellow lines, zig zags, in neighbouring driveways and the accessible parking bays near Over the Rainbow. Your help and consideration would be very much appreciated. For parents new to the school, may I alert you to the fact that Hunter's Way is a private road - please refrain from parking down that street.

Mr Scoreby is back!

Mr Scoreby's multi-sport and fitness sessions will be resuming, on a rota basis, for children in Years 2 to 6. Please send your child with a warm outdoor PE kit, including old trainers, every Wednesday. We do go out in all weathers!

Scarecrow Trail

Lisa Horton, Children & Family Worker of the Benefice of Rural East York, Dunnington, Stockton on the Forest, Warhill & Holtby is planning a Scarecrow trail on the afternoon of Saturday 3rd October. Further details will follow.

With very best wishes,

Caroline Hancy
