Message for all Parents from Mrs Hancy

Further to our concerns raised during icy conditions, the Parish Council, with the support of the PTA and the Ward Committee, have managed to acquire an additional salt bin. This will be located near to the parking bays outside 'Over the Rainbow'. The Parish Council have also agreed to provide a number of salt dispensers to volunteer snow wardens who have offered their help on icy days around Church Street and Pear Tree Lane.

Many thanks to Mr Ellerington and also to Rachel Robinson for their support so far with this matter. If anyone else would like to offer their support, please contact:
rachel.robinson14@gmail.com

It has been fabulous to see how our community has worked together to find a solution to a challenging situation and as a school we are incredibly grateful for your support.

Message from Mrs Gilderdale and Mrs Tutill

A village walk is planned for these two classes. Please see further information attached.

Parent Consultations

These will be taking place on Tuesday 27th and Wednesday 28th February for Reception to Year 5 classes and on Tuesday 27th February and Thursday 1st March for the Year 6 classes. An invitation to make an appointment with your child's class teacher will be sent out today.

Lunchtime Changes

After the half term holiday we will be trialling a new lunch service system. The staff and children are very excited!

No doubt we will have to make 'tweaks' along the way but at the end of the half term we will evaluate the system with the children to see which service they prefer.

Message for Y3/4 from Mrs Rowntree

Calling all keen cricketers!
Dunnington Cricket Club needs you!
This is preparation for the Drax Cup, to which I will be taking a school team.

Junior Section Manager: Jessie Figg - 07432 425255
Chairman: David Bristow- email dbristow@brizza.co.uk

New Community Defibrillator

The defibrillator is now in place at Dunnington Primary School and is registered with North Yorkshire Ambulance Service. This is a vital resource to support the community and first responders. The defibrillator is situated on the boiler house wall facing Pear Tree Lane and is accessible via the pedestrian gate at all times. To make use of this life-saving piece of equipment, phone 999 and you will be instructed how to open the cabinet. In conjunction with Essential First Aid Services we have organised some training for the community – details below.

A massive thank you to the PTA, who provided the funds to purchase this equipment.

Learn lifesaving skills

This course is designed to give you confidence in CPR and how to use the AED machine.

What Will You Learn?

Basic lifesaving skills.
Confidence to deal with a first aid situation where CPR and the AED may be required.

Course Content

- CPR – Resuscitation
- AED – how to you a defib machine
- Any other subject of your choice – If we have time.

Course Date and Time

Tuesday 13th March
6pm – 8pm

Please email Jenny Scholes to confirm a place
