ROCKSTARS

Here are the times table rockstars for this week!
Well done for being so speedy!

LOCAL CAT - You may have noticed a local cat around school recently, which often turns up around the playground and parent waiting areas at school start and finish times. After consultation with the cat's owner, we have asked the children not to fuss and stroke the cat at school. We would appreciate it if you would not encourage the cat on school premises.

Dear Year 4 and 5 children and parents/carers,

After summer half term a Coding Club will run on **Tuesdays** from **3:20pm - 4:20pm** in the Computing Room. This will start on **Tuesday 5th June** and will run weekly, with the last session being on **Tuesday 10th July**. Each week children will be given the opportunity to work on fun project, such as designing their own computer games or quizzes, and may even have the opportunity to explore coding with a mini-computer. Anyone with interest and enthusiasm for computing and coding is welcome.

If you wish for your child to attend the Coding Club next half term, then please complete the attached form and return by **Wednesday 23th May**. Please note that there are only 20 places available, so places may need to be allocated on a first-come, first-served basis. Once I have received all the replies, I will send out confirmation letters to those who have been successful getting a place.

Many thanks,

Lucy Jarvis
