Year 5 Computing Lesson

As part of our Computing lessons this term pupils will develop their skills at using a range of software by designing their own websites. In order to do so, we would like to give pupils access to Weebly for Education. Pupils will be given individual account names and passwords – however please be reassured that no pupil names will be entered into the system to ensure their online security. Although pupils will be given access to this within lessons, it is important that pupils do not access the website at home as it is important they are supervised at all times and we would appreciate your support in this matter. At the end of the project pupils will hopefully be given the opportunity to publish their websites online (again be reassured that this will be done so anonymously) we hope you will enjoy viewing these. If you would like to discuss this further please don't hesitate to get in touch with Miss Jarvis.

Message for EYFS and KS1

The infants will soon be making fruit kebabs. We would very much appreciate a donation of 50p per child towards the cost of ingredients. Please send this in by 18th May.

Message for Mrs Haynes and Mrs Abbott's Class

Please could you send in a named plastic container with a lid for your child to bring home their rhubarb crumble or cake that we will be making in class. We will need these by Thursday 17th May please.

Here are our Rockstars for this week! Well done for being very speedy with all your times tables! Year 3 JD won Battle of the Bands this week. A big well done to them.

Our Yr3/4 tennis team took part in a Mini festival at Wigginton Tennis Club on Tuesday. They played brilliantly to win their first round of matches very confidently and booked their place in the semi final. A hard fought game against Wigginton just saw us pipped at the post and we came in 3rd place overall. A fantastic achievement by all 4 pupils demonstrating good sportsmanship, resilience and superb behaviour.

Two of our Y6 girls have been working very hard on the cricket field this year. Their determination to succeed has paid off and they have both been selected for the Yorkshire Under 11s Girls squad. An amazing achievement and we look forward to hearing all about their up and coming matches. Well done girls!

Triathlon update (for those who applied)

Please ensure slips with payment for the coach are returned by Friday next week. Mrs Rowntree and Mrs Hancy will be accompanying the children but we need a volunteer (who is DBS checked for school) to go with us to this event. Please speak to the school office if this is something you can help out with.

Bereaved Children Support York-Drop in session Saturday 12th May 2nd birthday!

Please find attached the flyer for the next peer support, drop-in session for bereaved children and their families. It is on this Saturday 12th May, 2-4pm and is at The Storehouse, Mansfield Street, off Foss Islands Road.

We will be celebrating 2 years of BCSY! There will be cake!
