14th November 2018

Dear Parents/Carers,

Re: A science based after-school club KS1

I am delighted to announce that from January 2019, we will be offering a Science club after school. The club will be run by Steph Thurman who is a qualified science teacher. She has been running Scientots for a number of years and has experience of delivering hands on, enjoyable science sessions for children at other schools and pre-schools. Her facebook page is

www.facebook.com/scientots/

Initially, it will be offered to KS1 children. The numbers are limited to 13 per session so places will be offered on a first come first served basis. Each club will last for six weeks.

It is hoped that the first session will take place on Tuesday 15th January from 3.30pm and each session will last an hour. The first topic is going to be the Human Body and the sessions will be:

1. Organs and Digestion (Making poo!)
2. Skeleton and X-rays.
3. Heart and blood.
4. Healthy Humans (exercise and healthy eating)
5. Hygiene and Germs.
6. The Five Senses.

The cost will be £27 per child for the six week sessions and cheques should be made payable to: S L Thurman. Fifty percent of the profits will be donated to the PTA.

If the sessions are over-subscribed then cheques will be returned.

Please complete the slip below and return to me, along with payment.

Many thanks,

Charlotte Todd (Science Coordinator)

My child _____ Class _____ would like to take part in Science club.

I enclose a cheque for £27 payable to S L Thurman

Delete as applicable- My child will be collected from school/ My child will go to Dunnington Children.

Signed _____
