PTA SUPPORT

This is our latest purchase of classroom resources funded by the PTA.

These are double-sided A3 whiteboards created by a senior Maths consultant and designed to promote discussion, refine recall skills, and maintain fluency in primary maths. Each whiteboard covers the key, new National Curriculum number objectives for each year group while still revising key concepts from the previous year.

Thank you to everyone who helped to raise the funds for these.

Football Result – Dunnington v Fishergate

On Wednesday the 10th April 2019, a match started between Dunnington (home) and Fishergate (away).

Early in the game Charlie Pick scored a fabulous goal after running down the wing and slotted the ball into the bottom corner. Just before half time, Fishergate bounced back, scoring off a corner. At half time the score was 1-1.

For the rest of the game it was a tight affair until Rory Callin scored to make Dunnington win 2-1! It was a great team effort from Dunnington, collecting a triumphant win.
