Message for Y5 Parents

Missing Wellies

A pair of named black Hunter wellies, size 2, have been missing ever since the Low Mill residential. Please could we ask all Year 5 parents and children to have another good look at home in case they have turned up at yours by accident. If you do find them, please could you send them back into school so that we can return them to their rightful owner!

Many Thanks,
Tracey Elliott

SPORTS DAY

Our sports day is planned for Monday afternoon next week, 24th June, beginning at 1.15.

At the moment, the weather forecast looks favourable, although there may be a few random thunderstorms around!

If we do need to cancel due to poor weather conditions, we will send an e-mail via ParentPay and hope to move sports day to the following day.

Message for EYFS and KS1 parents

Trip to Hassacarr Nature Reserve

Dear Parents,

The EYFS and KS1 teachers are planning to take their classes down to Hassacarr Nature Reserve on **Wednesday 10th July**. We will be pond dipping, bug hunting and identifying wild flowers. We are fortunate to have the expertise of adults from Dunnington Conservation Group and also from Natural England to help us. Mr Gargiulo's class and Mrs Abbott's classes will be going down in the morning and Miss Jarvis' and Mrs Gilderdale's classes will be going down for the afternoon session (leaving 12.30). All children will be eating lunch as normal in school. We will send more details nearer the time.

However, in order for this lovely trip to take place, we need plenty of adult helpers please! We regret to say that if insufficient help is given, we will be unable to go. Please let us know no later than Friday 28th June if you are able to help. You can let us know by e-mail at dunningtonprimary.school@york.gov.uk or call in to the office, or you can send a note.

With many thanks for your continuing support.
