All Parents - Sports survey

For pupils up to Year 4, Mrs Rowntree will be sending home a survey for your child to complete online. It is a vital part of the sports funding we get and we would really appreciate 10 minutes of your time, with your child, to fill in this survey. Replies due by Friday 12th July please.

Should the letter not reach home or get lost, the website you need is:

Many thanks for your continued support.

Children in Years 5 and 6 will complete the survey in school.

Class Organisation

As you may know, a letter regarding class organisation was sent out by e-mail yesterday. For parents who receive communications from school as a paper copy, these should have come home with your child yesterday. However, due to the unplanned school evacuation during the afternoon, the hard copies were not ready in time and will therefore come home with your child today. Please accept our apologies for any inconvenience this may have caused.

Included in the class organisation letter was the news that Mrs Waddle has taken the decision to move on at the end of the year. We will therefore be saying goodbye to Mrs Waddle, Mrs Mitchell and Mr Rundle. I would like to take this opportunity to thank each of them for their dedication and commitment to our school and wish them all the very best for the future.

ParentPay E-mails

We are aware that there is an issue with e-mails queuing on the ParentPay system, resulting in some messages arriving several hours after we have sent them, or in some cases not at all.

We will be investigating this with ParentPay to see if this can be avoided or improved.

Skipping Festival

The Year 2 children will be taking part in a Skipping Festival Project next month.

Further information and a permission slip will be sent to Y2 parents today.
