## Y5 Residential Visit 2020

A letter from the Year 5 teachers is attached giving information about the Y5 Residential Visit to Low Mill Activity Centre in April next year.

## Infant Performance

The infants will be performing The Snow Child in December. A letter is attached with details of the dates and times, together with a form to order tickets.

## Y1 Reading Club

Thank you to those who have sent replies in regarding the Reading Club mentioned in last week's newsletter. For those who have not yet had chance to bring in the slip the deadline will be extended to Thursday 24th October. If you would like any more details regarding this please do not hesitate to speak with me or drop me an email.

Many thanks,  
Miss Jarvis

## School Charities

The school will be raising money for a range of charities this year, continuing it's support of OSCARS's Paediatric Brain Tumour Charity alongside some additions. The new School Council have met over the last few weeks to decide on the school's chosen charities for the year and, after much deliberation and some impassioned speeches, the council have voted to support both Dogs Trust and Dementia UK.

## Sporting Achievements

If your child has taken part in any sports activities outside school, we would be very pleased to receive reports, pictures etc. of any sporting achievements (however big or small) to add to our display in the hall.

## Cross Country Update

In her report on the Cross Country event last week, Mrs Rowntree did not include the news that Oliver Walkington had come second in the Y2 boys race.

Sorry Oliver !!
