Internet Safety Advice - TikTok

With Safer Internet Day coming up on 11th February, over the next few weeks I will be including some topical internet safety advice in the newsletters to help you keep your children safe online. This week I've focused on TikTok, a social media platform that lets you share, make and discover 15 second videos. Officially rated 13+, the app's appeal is in the special effects and music that can be added - however it also has the facility to allow users to browse others' videos and interact. We are aware that some children in school may be accessing this app and therefore recommend you take a look at the following link to provide you with more information to help prompt healthy discussion <https://www.net-aware.org.uk/networks/tiktok/>.

If you have any other concerns regarding online safety or specific apps/websites that you would like more information on, please do not hesitate to contact me over the coming week so I can provide more information in forthcoming newsletters.

Best wishes,
Miss Jarvis

A Sneak Preview of the New Dunnington Primary School Football Kit!

We would like to say a huge thank you to Paul Gardner and The Terrace for sponsoring our new kit and we look forward to seeing all the players out on the pitch in their new kit. We wish the team a lot of success for season ahead!

KS1 Cloakrooms

Due to limited space in KS1 cloakrooms, it would be helpful if children could just use their pegs for PE kits in a drawstring bag and coats. Packed lunches and bookbags can be taken into the classroom. Please avoid sending large rucksacks where possible.

Many thanks,
EYFS and KS1 staff

PE Kit Reminder

Appropriate PE kit for children should be black shorts, white t-shirt and indoor plimsolls or trainers. Children doing gym and dance should be wearing shorts or black leggings, not tracksuit bottoms. Outdoor kit should include warm tracksuit bottom/top and white t-shirt, with trainers and a change of socks. **NO FOOTBALL SHIRTS PLEASE**

Thank you,
Mrs Rowntree

Absence from Clubs

Children/Parents need to let coaches/teachers know if they are no longer wanting to attend a club, or will be missing a session due to medical or other reasons. All staff keep registers and are responsible for those children in that time period.

Thank you,
Mrs Rowntree

Parent Consultations

Thank you for sending in your requests for appointments for the parent consultations on 12th & 13th March. Notification of appointment times are currently being sent and you should hear from us shortly if you haven't already.

If you have yet requested an appointment and would like one, please contact the school office, who will be able to advise you of the times still available.
