Sport Relief House Competition - Monday 9th March

Following suggestions from School Council, to raise awareness of Sport Relief we will be running a sports afternoon on Monday 9th March. During the afternoon all children will be split into house teams and will compete in eight activities across the school to win points for their house. We will be taking voluntary contributions of £1 towards Sports Relief on the morning of Monday 9th March and your child should come to school dressed in uniform as normal, as they will be given the opportunity to change into PE kit before the afternoon's events. We hope to have an exciting, energetic afternoon and may the best house win!

Best wishes,
Miss Jarvis & School Council

Sports News

We took two teams to the Vale of York Academy to play in the York Schools Netball tournament this week. Our teams played some tough schools and showed real determination! In the 7 games they each played, the level and quality of their netball improved amazingly. We won some, drew some and lost a couple. Clifton with Rawcliffe got a well deserved 1st place but both the Dunnington teams thoroughly enjoyed the tournament and came away very cold but having had lots of fun!

Many thanks to the parents who stood and supported in the fairly chilly conditions.

On Wednesday 9 children went to a Year 2 cricket festival. First we played against Lord Deramore 1 and we won. After that we played against Elvington. We won this as well.

Next we played against Lord Deramore 2. This was a hard match because they had 15 players but we won. Finally we played against Lord Deramore 1 again and we won.

Following that the man in charge announced the winner of the whole festival.

The winner was Dunnington! We all played really well together.

Thank you Mr Gargiulo!
