

Year 3/4 RE

Week beginning Monday May 4th

This term our topic is 'Life is a journey' and we will be looking at significant life events in different religions.

This week we are looking at Baptism in the Christian faith. Please read through the Power Point about Baptism. It might be best to do this with an adult if you can, then you can talk about the information as you go along. There are also a couple of links to video clips about an infant baptism and a believer's baptism that you need to watch.

Can you find some similarities and differences between the two types of Baptism?

What promises are the people in the services making?

Do you belong to a group or community where you have made a promise? Eg. Brownies or Cubs?

If you would like to write answers to any of these questions then please do and post on Seesaw for your teachers to see. If you just want to talk about your ideas with an adult or older sibling then that is also fine.
