Summer 1 - Week 1 - Art Woolly mammoths are big and very hairy. In 'Step 7' of 'How to Wash a Woolly Mammoth, the woolly mammoth tries out different hairstyles. All of us are trying out different hairstyles whilst we are social distancing and staying at home at the moment, so why not have a go at drawing a woolly mammoth with a different hairstyle! Or why not have a go at creating your own wacky hairstyle - no scissors allowed though children! Send us your photographs of your drawings or hairdos.
