

## The Most Magnificent Thing

### Definition Challenge

Have a go at matching the word to its definition.

Magnificent	ability to dream without boundaries-this means thinking of things that don't exist yet
Mindset	ability to keep trying even when frustrated
Imagination	over the top wonderful, most wonderful
Easy-peasy	tries to fix with simple steps
Perseverance	makes small adjustments
Tweaks	super simple
Tinkers or fiddles	your attitude or ideas with which you approach a situation, how your mind responds to a problem, overcoming obstacles or facing challenges.
