

English w/c 22nd June 2020

This week's English work will be based on Aliens and is linked to our writing topic on Science Fiction.

Wednesday 24th June 2020

We hope that you enjoyed yesterday's comprehension questions and also enjoyed completing your sentences describing your aliens

We loved seeing your alien descriptions and drawings on Seesaw.

Today you are going to pretend that you are an alien expert. Think about and write the answers to the following questions remembering to use full sentences and generalisers.

The 'Talk Like an Expert' game

Now let's invent some facts about aliens. Imagine you are world expert on aliens and you are answering the interview questions below. Make up one fact for each question.

★ **Start your answers with one of these generalisers. These are words that sum up things e.g. *most, all, some, many, a few*. For example:**

Most aliens like cheese.

Where do aliens go on holiday?

What do aliens like to do to relax?

How do aliens travel to work?

Why do aliens live alone?

★ **Challenge:** Add on to your facts by using the adverb 'additionally'. Use it to start a NEW sentence to add on to your fact. For example:

Most aliens like cheese. Additionally, they also enjoy eating broccoli covered in marmite.

★ Rewrite your sentences below. Remember to use a capital letter to start, a comma after additionally and a full stop at the end of your sentences. Check you have two sentences.

_____ , *Additionally* , _____ .

★ Now write your own questions to ask an alien. Use the question words: *who, what, when, where* and *how*. Don't forget to end your sentence with a question mark.

★ Creative challenge: On a separate piece of paper, create your own alien. How many eyes will it have? How many legs? What colour will its skin be? What special powers will it have? Label your alien to show what it can do e.g. *laser eyes for fighting enemies*.

If you drew your own alien yesterday, add labels to it to add in some extra information.
