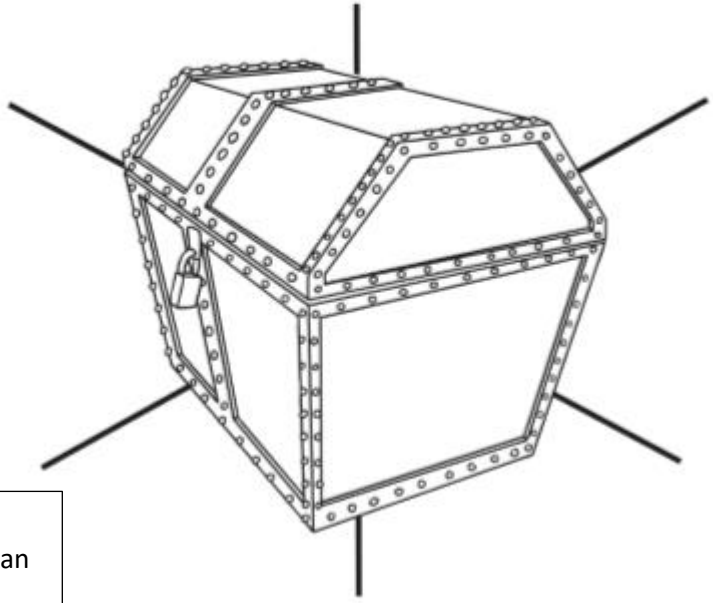
Lesson 3 - Magic Box Poetry Planning

What would you put in the Magic Box? Use this spidergram to gather your ideas. What are your favourite things to see, hear, smell, taste and feel? They can be people, places or things.

The sweet sound of birdsong on a country walk

Seeing the Northern lights as brilliant green, violet and red swirls across a northern sky



The touch of an ice cold snow crystal from the top of Mount Fuji in Japan

The smell of a smoky fire and popping fireworks on bonfire night

A spicy, hot vegetable curry with steaming rice and tasty coconut naan

The feeling of winning a competition or doing something really well
