How did you get on with designing your own alien planet? What features did you have on Zargon 10? Did you magpie any good sentences from the writing and adapt them for your own use?

Today you are going to plan your description of Zargon 10 using this table to help you.

Your log

★ Now imagine you have explored Zargon 10 and are ready to write your log. Follow the same pattern as me and use this planner to jot down some ideas.

Underlying structure	New Ideas
Intro: state when event happened, sum up day & tell reader something interesting: e.g. *Yesterday was amazing. It was the first time …*	
What you did before you set off: e.g. *I put on my space boots and …*	
Event 1 – what happened? *First,*	
Event 2 – what happened? *Next,*	
Event 3 - what happened? *After that,*	
Event 4/5/6… – what happened next? *After that, Next, Then, …* *Have as many events as you like	
Round off your report and tell the reader where you are going next. *Finally,*
