## **WHAT WOULD BE LEFT?**

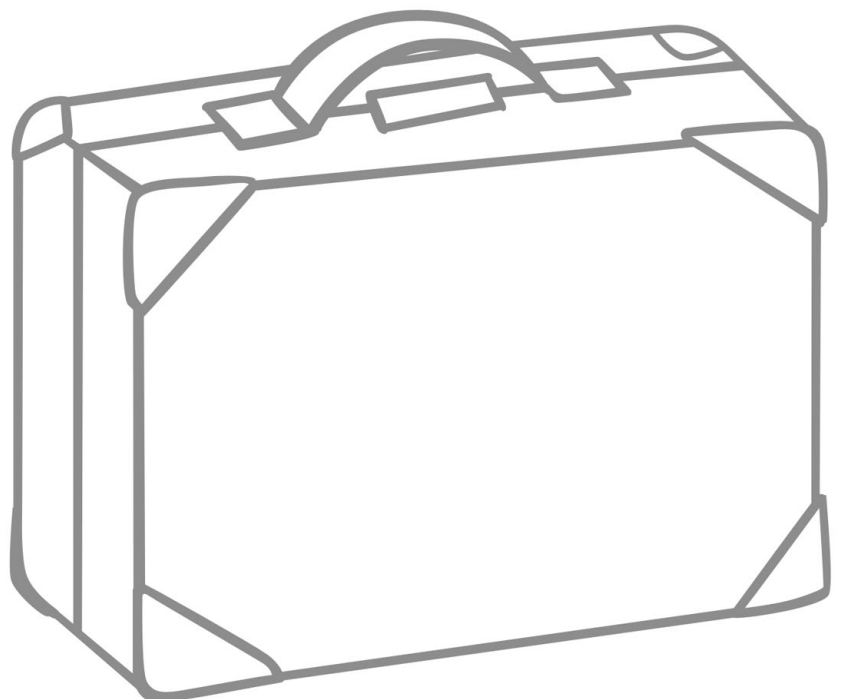

(Looking at archaeology)

Put on your favourite clothes and pack everything important to you in the bag. Make sure you include and label/list everything, including jewellery and anything you might have in your pockets.

## ***WHAT WOULD BE LEFT?***

(Looking at archaeology)

It's now 1000 years later. Archaeologists have just been digging the site where you and your bag were buried, following a massive earthquake.

What will they find? Consider the materials involved and which will decay.

### ***IN 1000 YEARS TIME***
