(Strumming)

G
Shooting up to the sky I'm all alone

A
Trying hard to find my place called home

C
Stars around me up in the air

G
Can they see me? I don't care

G

I'm gonna jump, over the moon

A

See the stars flying, not too soon

C

The planets remind me of home

G

But I always feel alone

G

C

And I think it's gonna be a long long time

G

Til touchdown brings me 'round again to find

C

I'm not the man they think I am at home

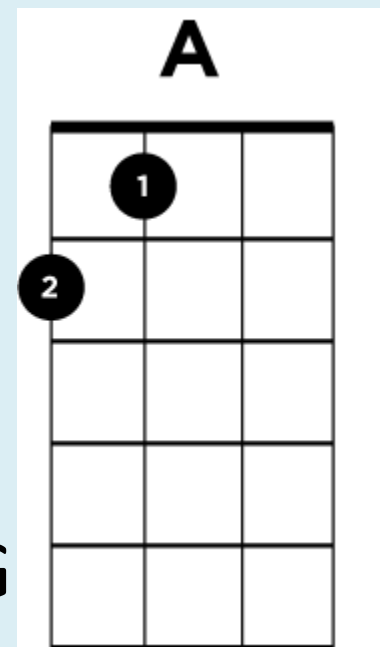

A

Oh no, no, no, I'm a rocket man

C

G

Rocket man, burnin' out his fuse up here alone

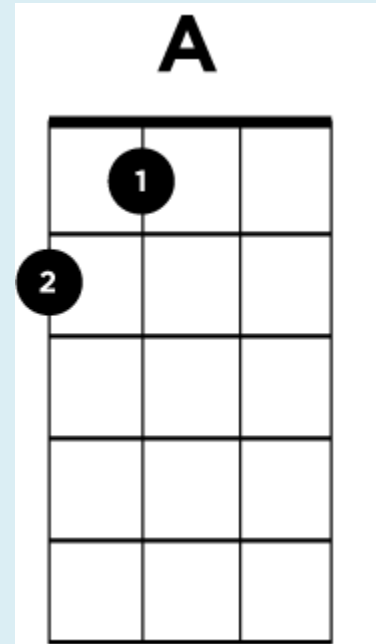

G

C
(Strumming)

G

I'm dizzy with the stars all full of light

C

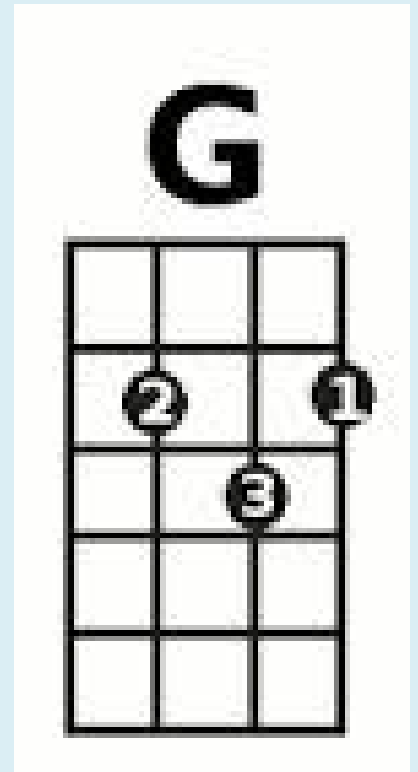

Touch down brings me down but I will fight

A

I'm a spaceman shooting up to see

C

The person that I always wished to be

G

Up in space there is no light

C

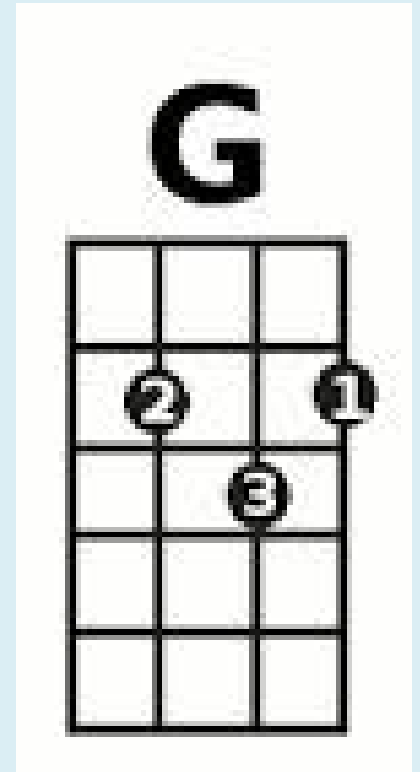

Down on Earth now seems so bright

A

When I blast off to the stars

C

I realise I leave behind my heart

G

G (one strum) A

The only thoughts that come to me

C

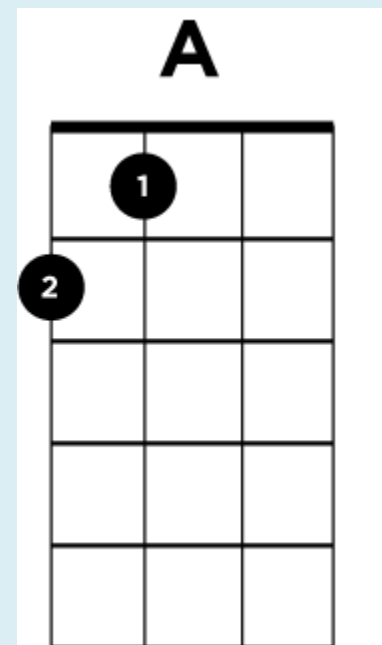

Are from the stars that I can see

I only wish I could be at home

G

I don't want to be alone

G

C

And I think it's gonna be a long long time
