### Election of Local Parent Governor

We are pleased to let you know that following the recent ballot, Danielle Sturmey has been elected as the new parent governor on the local governing body.

Thank you very much to the candidates and all the people who voted, for your time and support.

### Youth Sport Trust

Due to the very limited extra-curricular provision we can provide as a result of Covid-19, the Youth Sport Trust have launched a virtual after school club.

They have taken the step to deliver a free virtual after school club as part of a national response to the second lockdown. The 30-minute club will take place at 5pm each weekday and be led by a different member of the YST's athlete mentor network, starting on Thursday 12 November with world no.1 female inline skater and 10-time British Champion Jenna Downing. The After School Sport Club will then run for five weeks until December 18 and children and young people can take part live by visiting their YouTube channel - <http://www.youtube.com/user/YouthSportTrust>

Aimed mainly at primary-aged children, a different theme has been assigned for each day of the club - Adventure Monday, Tuesday Play, Wild Wednesday, Thinking Thursday and Fun Friday. The YST hope that this will provide support, capacity and inspiration for young people.

Enjoy some home based physical fitness and have fun!

Any unsold tickets - please return to school.

### Christmas Cards

We have decided that this year, for various reasons due to the current situation, it will not be appropriate for children to exchange Christmas cards in school.

We apologise for any disappointment caused and would be grateful for your support in not sending children to school with cards.

### Just a little message from Mrs Todd (Science Coordinator)

I have attached a really useful link from the STEM organisation. It is a website which provides science and computing activities which your child may like to try at home. It also has a really useful parents section.
