Dear Parents/Carers,

Summer Term

Given the government's latest announcement and following consultation with our local Public Health team, we will be taking a cautious approach towards our summer events. We have been advised to 'hold the line' and maintain all current control measures due to the recent rise in positive Covid cases, particularly amongst school-age young people. We are looking forward to holding some of our usual 'in-house' sporting, transition and leavers' events for the children but these will be adapted in order to maintain the integrity of our bubbles. Sadly, this year, we will not be able to invite families and friends to share in the celebrations with us. We do hope you understand.

Staff Charity Run

We've now reached Scotland in our charity run from Land's End to John O'Groats!

Thank you so much to everyone who's kindly donated, supporting the incredible charities Oscar's Paediatric Brain Tumour charity and St Leonard's Hospice. To find out more and donate please visit: <https://www.justgiving.com/team/DunningtonCEPrimarySchoolCharityRun>

Keeping our children safe online

I have had several conversations with parents concerning a variety of issues arising through internet gaming and social media apps. I am aware that a number of children, particularly in KS2, have unsupervised access to mobile devices with internet access.

Net-aware is a really useful website for parents. It contains detailed reviews of the most popular apps, games and social media sites that children are using and also provides advice for parents on age-restrictions and managing risks to ensure the functionality and content is age-appropriate.

You can also sign up to newsletters and emails on the latest social networks, apps and games so you're always up to date and hopefully a step ahead!

Message from the PTA

Unfortunately due to the updated Covid restrictions we will be unable to run our planned Summer Fair on 3rd July. This is usually one of our biggest fund raising opportunities so it is a real shame that this will be missing for the second year running. Despite this we are still planning on running a class hamper raffle - tickets will come home shortly. We are also looking at introducing a new crowdfunding scheme to the school - more to follow soon.

With very best wishes,
