8th October 2021

Dear Parents/Carers,

Dining Hall

We are incredibly proud of the way the children have returned to lunches in the school dining hall. As you can imagine, our routines need to be pretty slick to ensure 210 children can eat their lunch (without feeling rushed) in a calm and orderly environment. After only four weeks, most children are now served or seated to start lunch by 12:30pm.

Whilst staff are always on hand to assist children, we are trying to encourage our younger children to try cutting up their food themselves and use their cutlery to eat their food, rather than their fingers. They are doing really well with this. There are some foods that they find easier than others (roast dinner and jacket potatoes are particularly tricky!!) but it would be really helpful if you could continue to encourage these skills with them at home.

Parent Consultations

Parent consultations will be scheduled for the week commencing 1st November 2021. This is an important opportunity for you to meet your child's class teacher(s) and to discuss how they are settling into their new class and also their progress to date.

Once again, these will be held virtually using the School Cloud platform. The platform provides an easy to use online appointment booking system, allowing you to choose your own appointment times with teachers. The booking system will go 'live' on Friday 15th October 2021 at 4pm.

Teachers will identify sufficient slots to see all parents/carers. Once a parent books a slot, that slot then becomes unavailable to other parents. Once booked, appointments will be confirmed via email.

The parents' evening itself will be hosted via video call allowing you to speak to your child's teacher from the comfort of your own home. No app is required to be installed, you can just use a smart phone or laptop. All calls are encrypted. The video call finishes at the end of the appointment time (10 minute allocation) and automatically moves to the next person in the schedule.

Please visit <https://dunningtonprimary.schoolcloud.co.uk> to book your appointments. (A short guide on how to add appointments is included with this letter.)
