## Music Teacher Introductions

### Violin and Recorder lessons: Imogen Clarke

*I teach recorder and violin at Dunnington Primary School, and I'm pleased to be able to offer spaces for new pupils. I have a range of lessons available, including low cost and subsidised options.*

*Learning a musical instrument can be rewarding and fun, and help to develop skills such as listening, reading, working with others and perseverance. I teach based on individual needs and incorporate games and activities into lessons, alongside reading music and technical skills.*

*If you are interested in lessons for your child, please do contact me, either by email at [ivc.clarke@gmail.com](mailto:ivc.clarke@gmail.com) or phone on 07927752203.*

### Singing and Piano lessons in Dunnington: Jo-Anne Trevenna

I would like to offer you the opportunity for your child to have singing and/or piano lessons within the school day.

Jo-Anne Trevenna (Jo) has been teaching with us for five years and is delighted to be returning to us this term. Jo is a conservatoire trained singer and pianist and has spent the majority of her career in Hong Kong where she was Director of Music at an International School. She is currently teaching GCSE and A level Music at Bootham School where she is also the singing teacher. She is also a music Grade and Diploma examiner for Trinity College of Music, London.

She is a nurturing, fun and patient teacher who is passionate about music education. She has spaces to teach singing to students from any year group and piano to students from year 3 up.

If there is a small group of friends wanting a singing lesson together, she is also able to accommodate this.

Please contact her directly to discuss details of lessons, or to have any questions answered:

### Ukulele Whole Class Tuition

We are fortunate to have a full class set of ukuleles at Dunnington, which are available to a number of different year groups.

This year, Year 5 will be learning the ukulele with Miss Dunn in whole class instrumental sessions.

A large number of children have enjoyed learning the ukulele previously at Dunnington Primary, with many going on to try it outside of school. We hope that the whole class tuition of an instrument will inspire a number of children to take up learning an instrument long-term outside of school, and create an interest and a passion for music!
