Staffing Update

We look forward to welcoming Katie Priest back from maternity leave on 4th April 2022 to her role as Lower KS2 Phase Leader. Mrs Priest will work Monday-Thursday each week, supporting classes throughout school and providing planning, preparation and assessment (PPA) time for Miss Sugden and Miss Malarkey' classes throughout the summer term.

We are also very pleased to welcome Lisa Cathcart to our Midday Supervisory team. Lisa joined us on Monday 14th March 2022.

Sadly, Miss Ellis (pupil support assistant) and Mrs Dangerfield (kitchen assistant) will be leaving at the end of the Spring term. We would like to take this opportunity to thank them both for their commitment, hard work and friendship over the years and to wish them every happiness for the future.

Hot Weather

We have a number of machines around school providing clean, fresh drinking water. Children are encouraged to drink throughout the school day, especially as the weather gets warmer. Please could you ensure that bottles are cleaned and returned to school each morning. In the interests of dental hygiene, we prefer that children don't bring juice in their bottles please.

Children can also bring and apply their own sun-cream during the school day. Unfortunately, members of staff are not able to assist children in doing this. You may wish to consider applying a 'once a day' protection before school if your child is unable to apply their own cream.

School Shoes

Our prospectus states that children should wear sensible shoes not trainers for school. As the weather gets warmer and children may begin to wear sandals, we also ask that these are securely fastened to their feet so that they can run around at playtime. It is also important that they have a change of footwear for PE lessons as they can get muddy on the field, not to mention hot and sweaty!!

Spring Term Parent Consultation

Just a reminder that the booking system for parent consultations closes at 9am on Monday 28th March 2022. So far 82% of parents have signed up.

To book your slot, please visit <https://dunningtonprimary.schoolcloud.co.uk> to book your appointments. (A short guide on how to add appointments is included with this letter.)

You will be taken to the following log in page. Complete the form to log in to the system and secure your appointment (s).

Dunnington CE Primary School

SchoolCloud

If you do not have access to the internet, please contact the school office who will be happy to add appointments on your behalf or to set up a telephone appointment or a face to face meeting with your child's class teacher at a different time.

Dunnington vs St Oswald's Football Match Report

Last Friday we welcomed St.Oswald's for our first league game of the season. The game got underway and with our first attack, Ollie made a run into the box and Ben Rees-Gay played a great pass to put Ollie through on goal. Bamm! Ollie placed the ball in the bottom corner. Our second goal was by Max Machin. As Ben crossed the ball into the penalty area, Owen left it for Max to fire it into the back of the net. St Oswald's got back in the game by scoring two goals in the space of four minutes to make it 2-2. Charlie Morris (goalkeeper) delivered a spectacular pass to Ollie who made it 3-2 to Dunnington. It was half-time. In the second half, Zac crossed the ball into Max who tapped it in to make it 4-2. St Oswald's hadn't given up and they managed to score another goal. All 9 players shared the same amount of time on the pitch and it was a great win and team effort to run out winners in the end! A big thank you to all those that came along to support us and made it a really special afternoon!

Final score: 6-4 to Dunnington.

By Owen Scaife and Max Machin

In the development game a team made up of mainly year 5s and some year 6s played out a spirited game. With many of the players playing their first competitive game or first ever game for the school. It was a close game and St.Oswald's development team ran out 3-1 winners. There is no doubt that Dunnington proved that there are many promising talents and the making of a great team for next year!
