Well done to our Year 6 children

At the end of what has been a very busy week for Year 6, I would just like to say how very proud I am of them. They approached the statutory assessments in such a calm, mature and confident manner. They sustained their focus and concentration throughout each of the tests, using their time to full effect and doing their very best. Great job Year 6!

PE Kits

Please could you ensure that children have their PE kits in school from Monday through to Friday. As much of the summer PE is outside, we sometimes need to vary the timetable to take account of the weather.

If anyone has any spare PE kit that their child has outgrown, staff would be happy to take it off your hands as 'spares'.

Queen's Platinum Jubilee Celebration- Wednesday 25th May 2022

Classes throughout school have voted on how they would like to mark the Platinum Jubilee celebrations in school. The events that received the most votes were:

1. A Royal Picnic

The whole school will enjoy a picnic lunch together prepared by our wonderful kitchen staff.

2. A Great British Bake Off

Children are invited to bake Jubilee themed cakes/buns at home and bring them to school on Wednesday 25th May 2022. There will be a prize for creativity in each year group! The cakes and buns will then be sold after school, in a bake sale, raising money for this year's two chosen charities.

As mentioned last week, each class will also be focusing on a decade of the Queen's reign and are invited to dress up in clothes typical of that period in history. They will also be learning a song from that decade to perform to the rest of the school during our picnic lunch.

Please find a reminder of the allocated list below:

Dunnington vs Lord Deramore

Last Friday saw a double header for the footballers. The A team who needed to win to book their place in the finals were up first. A great team display displayed the determination and skill the team play with. Two goals in both halves lead to a fantastic 4-0 win. On the day Zac and Ben RG both got a brace each to ensure Dunnington A our on their way to the finals!

In the second game our B team took to the pitch looking for their first win of the season. In a changed formation of three at the back the team looked comfortable and dominated possession. They had lots of chances to take the lead but were denied by good defending and great keeping. As the game went on it started to feel like we would never get that illusive goal! However, with time running out Dan Saxton got the ball and shot into the bottom corner. This was followed by wild celebrations once the final whistle blew. They had their first ever win!

A thank you to all that came and supported and Dave Scoreby who took the time out to help run the team on the day.

Mr Gargiulo.
