Please arrive on site by 4:30pm regardless of your race time to ensure you do not miss the start.

Askham Bryan have arranged for refreshments (teas and coffees) to be available to purchase during the event.

This event is: OUTDOOR

Parking – pick up and drop off

Parking is available on site and will be signposted. **This is a very popular event and parking is always a challenge so if you can share transport, please do so to help us with parking.** Once parked, there will be signposts and volunteers to direct you to the start line.

Race details

A student will run at the back of each race to keep an eye on any runners who drop off the pace.

Please advise your child not to push or rush at the start as there is plenty of time in the races to move up positions. Please help keep spectators off the course and back from the edge of the finish tunnel as it makes it much easier for the finish line officials.

The finish of all races will involve running across the official race course finish line into a funnel system which will sort them into their finishing order.

At the end of each race, participants can be collected from a holding area by parents or teachers. This will be a gazebo to the left of spectators.

We will record the top 8 boys and 8 girls from year 3-6. We are looking at running a county cross country later in the year and I will send details through school to those who qualify. The details for the finals haven't been confirmed but it is looking like the top 6 boys and top 6 girls from year 3-6 will be invited.

If your child would like to take part, please return the attached slip to the school office by Friday 30th September, for the attention of Mrs Rowntree.

If you require any further information, please do not hesitate to contact me on kdavies@ahs.pmat.academy

Many thanks
