Dear Parents/Carers,

Ofsted Report

Many of you will know that, on the 7th and 8th of July 2022, our school received a Section 8 inspection from Ofsted. Our school was last inspected in November 2012 and judged to be good, albeit under a very different framework. When a school is judged to be good, Ofsted normally go into the school about once every four years to confirm that the school remains good. This is called a section 8 inspection of a good or outstanding school, because it is carried out under section 8 of the Education Act 2005. Graded judgements are not given on a section 8 inspection.

Since November 2012, Ofsted risk assessments on the school, academisation and COVID 19 have, inevitably and considerably, delayed our subsequent inspection.

I am now pleased to share with you our recent Ofsted report which arrived in school on Tuesday. As I alluded to before the summer break, it was a fair outcome and one which accurately reflects our own self- evaluation as a school. The inspector was very positive about all that he saw in school and agreed that we just needed to continue evaluating, refining, and embedding our curriculum plans over time.

We take great pride in this report. Our pupils and staff all work incredibly hard, every single day, and this report reflects how effective the whole school community work together as a team. Thank you for all that you continue to do to support us in our work.
