30<sup>th</sup> September 2022

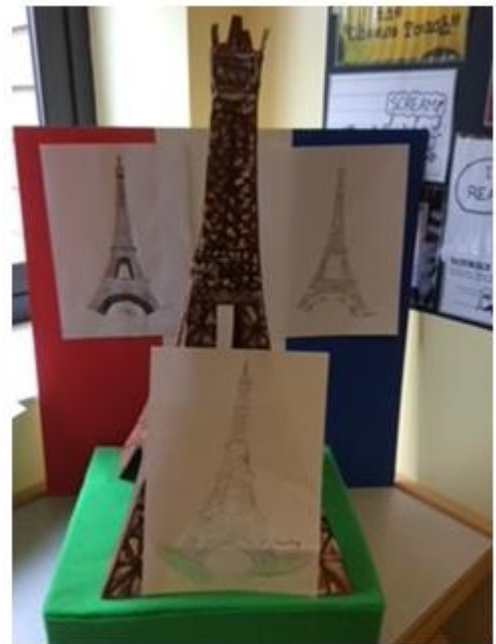

Dear Parents/Carers,

### **French Curriculum Enrichment Day – Thursday 29th September 2022**

We had a fantastic day yesterday in school, celebrating French and our love of languages. It was really wonderful to see the children arrive dressed up in an array of red, white and blue with painted faces, coloured hair and homemade accessories! Thank you to all those who helped putting these outfits together.

Each class focussed on a different town in France and completed a range of activities, from collage to computing, singing to postcard writing.

EYFS	Montpellier
Year 1/2	Lyon and Bordeaux
Year 3/4	Paris and Marseille
Year 5	Toulouse
Year 6	Bayeux

Here are a few sketches of the Eiffel Tower drawn by children in Mrs Jones and Mrs Todd's class.

### **Coats in School**

There has been a noticeable drop in the temperature this week so please ensure that your child brings a coat to school each day. We do play outside in most weathers!

### **Messages through the School Office**

Please could we ask that, wherever possible, changes to collection arrangements are made with the class teacher at the start of each school day? We appreciate that sometimes situations crop up and last-minute arrangements need to be put in place, but recently we have been experiencing a high volume of phone

calls very late in the afternoon. This is time consuming and sometimes can be tricky for the office staff to pass on the quantity of messages before the end of the school day.

### **Harvest**

We are looking forward to celebrating harvest on Monday 3rd October at St Nicholas Church, Dunnington. We will have two services: our EYFS and KS1 Harvest will start at 10am and our KS2 service will start at 11am. Parents are welcome to attend. There will be a monetary collection at the end of each service which will be split between York Foodbank and Carecent, York.

### **Parking outside School**

I know I frequently say this in our newsletters, but I feel I must send out a further plea. Please could parents try to avoid parking and dropping off in front of school and opposite or along the yellow zig-zags? We have had some worrying 'near misses' this week with children, particularly those who are cycling to school, trying to negotiate their way around parked cars, cars over-taking the parked cars and also oncoming traffic.

Please help to keep our children safe on their journey to and from school by parking responsibly and, wherever possible, further away from the school entrances.
