Dunnington Football Teams

Our Y5/6 football teams were in action again this week and played against Osbaldwick Primary School on Tuesday. The players enjoyed a pre-match motivational chat with Mr Sellers at lunchtime and they left ready for action! We had two matches and the first was a very competitively fought event. Charlie in Year 6 providing the team with a brilliant performance in his first appearance for the school this year. Many chances and lots of superb teamwork made for a great watch. We missed having a couple in the team through injury but the players worked very hard and showed true resilience. They also thoroughly enjoyed the opportunity to play against another school. We did unfortunately come away with a 2- 1 defeat but Mr Sellers was very proud of their commitment. The second match was also a very close game and full of goals which is always exciting to watch! The team stuck together and battled to a 4 all draw.

A superb evening of football and thank you to all the parents who provided lifts and support for the children.

Drinks and Snacks in School

Children have access to fresh, cool water throughout the day. In the interests of dental hygiene, we discourage the drinking of juice and fizzy drinks.

Water bottles can be purchased from the school office or children can bring their own bottle from home. Wherever possible, please could we ask that these are plastic as the metal bottles generate quite a noise in classrooms! Please don't feel the need to buy a replacement, but if you have an alternative that could be used, that would be great! EYFS and KS1 children are provided with free fruit at playtimes. KS2 children can bring a piece of fruit for a snack, if they wish.
