Dear Parents/Carers,

Electro City Builders Lego Day

The Lego day on Thursday was a huge success and the children thoroughly enjoyed themselves. It was fantastic to see the children working together, across year groups, to design and create a building of their choice. Lots of teamwork and problem solving was needed as the children designed a wide range of buildings from treehouses to restaurants to hospitals and a variety of very posh apartments. As the buildings had to light up, they had to create a circuit. It certainly looked magical when the hall lights were switched off.

Reception parents: Cool Milk

Since September, we have been using Cool Milk to provide milk for your children. As you will already be aware, your child can receive milk **free** until they turn 5; however, if you want your child to continue to receive milk following their 5th birthday, then you must have registered with the Cool Milk website in advance. In your welcome packs when your child started school, there was a form with the link to register for the Cool Milk service or alternatively, you can access the website at: <https://www.coolmilk.com/parents/> which will explain how you register. When you have completed

this online, you will receive an email with further details - this includes a link that must be clicked to activate the registration. Once you do this, you will be notified by Cool Milk 3 weeks prior to your child's birthday, to allow you to set up payment and to ensure that milk continues to be provided. If you do not register, school will not be sent milk for your child.

If you have any queries, please do let the office or Mrs Elliott know.

KS1 Playground Drainage

As you will no doubt have seen, the council attended site on Tuesday to jet out the drains but this didn't resolve the pooling problems on the infant playground. It is likely we have a collapsed surface-water drain within the site. We now need to wait for the water levels to drop before we can get cameras into the drain to assess the problem and consider potential solutions. Whenever the playground is inaccessible, we will try to have a member of staff outside to inform parents where to drop off or collect.

Thank you for your ongoing patience with this matter.
