27th January 2023

Dear Parents and Carers,

We have recently completed a survey of all children and young people across the trust. We have found it informative and helpful in identifying what is working well and what can be improved.

We are sending you a link to a partner survey which will gather your thoughts on the schools within the trust and the trust itself.

We would really appreciate it if you can find time to complete the survey. The survey will remain open until 17th February 2023. The information will be used to help us better understand your viewpoints as parents and carers and ensure that we further develop our home school relationship which is such an important part of successfully supporting your child through their education.

Many thanks for your time in doing this and your continued support of your school and the trust.

Yours faithfully

Steve Lewis
CEO - SYMAT
