Dear Parents/Carers,

Year Six Assessments

Year Six have had a busy week completing their statutory assessments. We would just like to thank them for their diligence and resilience over the course of the week. They have all worked incredibly hard and have done themselves, their families and their school proud. Great effort Year Six!

EYFS topic afternoon - Wednesday 17th May

Just a reminder about the EYFS topic celebration afternoon, which will take place next week when we are hoping to be able to release our butterflies! The caterpillars have been in chrysalides for about a week now, so we are still hoping that with the rough time scales we have, we will have butterflies then and could release them that day. No guarantees though I'm afraid. The celebration will be held in the class initially and then hopefully move to the field for the big release! We will begin at 2.15pm and it will finish at 3.15pm so we can get the children ready for home and back out at the end of the day. Many Thanks - we hope you are able to join us, EYFS Team

EYFS Visit to St. Nicholas Church - Wednesday 24th May

To further enhance our learning for RE this term, Reception will be visiting St. Nicholas church for a tour of the church and to understand why churches are special places for Christians. We will be going after lunch on Wednesday 24th May and will be returning before the end of the school day so that the children are ready to be collected at the end of the day as normal. We are sure the children will have lots of fun exploring and learning about our local church.
