14th June 2023

Dear Parents and Carers,

Head of School - Dunnington Church of England Primary School

Within SYMAT, we have been delighted to create the role of Primary School Improvement Lead for the Trust.

Mrs Hancy, the headteacher of Dunnington CE Primary School takes up this post in conjunction with being Executive Headteacher of Dunnington in September.

This week we have interviewed for a head of school at Dunnington. Mrs Thompson, Deputy head teacher at Wheldrake with Thorganby CE School was successful from a very strong field. She will lead Dunnington School and work closely with Mrs Hancy.

Mrs Thompson will take up post from 1 September 2023. In line with Mrs Hancy's secondment the role will also be a secondment for two years finishing in August 2025.

We have fantastic teachers and leaders within our schools and it is great to be able to provide opportunities to benefit all schools within SYMAT as we work ever more closely together.

Yours faithfully

Steve Lewis
CEO of the Trust
